

# DE BUSK

*SHORTHORN — POLLED SHORTHORN*

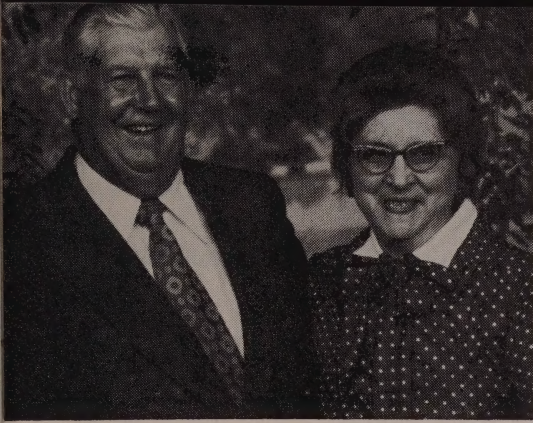

## DISPERSION

**SATURDAY, SEPT. 10, 1977**

**CRAWFORDSVILLE, INDIANA**

Left, Mr. & Mrs. Charles DeBusk

Right, the Jack DeBusk Family. Jack, Stacy, Kay, Stanley

Dear Friends,

We wish to welcome all of you to our Complete Herd Dispersal Sale at the Crawfordsville 4-H Grounds, Crawfordsville, Indiana, September 10, 1977.

For many years we have worked as a Father-Son team to develop our present herd of Polled Shorthorn cattle. During this time we have accumulated more cattle than we are able to care for on the two home farms, and after the severe winter last year and Jack's full-time activity with the R. R. Donnelley Printing Company, the time element has forced us to a decision which we both deeply regret — a dispersion. We considered various alternatives before reaching this decision. Our first alternative was to reduce our herd to approximately 25 females, but we decided the only fair way to both prospective buyers and to ourselves would be to sell the entire herd.

During the last 20 years we have been challenged by the great change in cattle types, and we have culled our herd to try to keep up with these changes. Our wish is that each purchaser will be a satisfied customer and that the cattle will be productive in their new homes.

Our family highly values the friendship of and association with the Shorthorn and Polled Shorthorn Breeders and their families in Indiana and many States of the United States, as well as Canada.

We extend an invitation to all of you to inspect our cattle the day before the sale and be our guests that evening, September 9 at 7:00, for an informal dinner in the Women's Building on the 4-H Grounds.

We shall look forward to seeing you September 9 and 10, 1977.

CHARLES DE BUSK  
JACK DE BUSK

# GENERAL INFORMATION

## TIME

The DeBusk Dispersion will begin promptly at 12:30 p.m., September 10, 1977.

## LOCATION

This sale will be held at the Montgomery County Fairgrounds, Crowfordsville, Indiana.

## PHONE TO USE SALE DAY

317/362-5940

## SALE HEADQUARTERS

The Holiday Inn, Crowfordsville, Indiana, Phone — 317/362-8700. Make your reservation direct to them.

## PRE-SALE DINNER

You are invited to be the guests of the DeBusk families at an informal dinner in the Women's Building at the Montgomery Fairgrounds, Friday evening, September 9, at 7:00 p.m.

## TERMS

Terms of the sale are cash. Settlement to be made with the clerk immediately following the sale and before cattle are removed from the Montgomery County Fairgrounds. If you are unable to transport your purchases the day of the sale, they will be returned to the DeBusk Farm at New Market, Indiana and you can pick them up there within a reasonable time.

## GUARANTEE

This is a complete dispersion of the DeBusk Herd. Every mature female included in this catalog is and has been a regular producer. All bred females will be pregnancy examined before the sale. The herd sires and yearling bulls will sell under the Standard Guarantee of the American Shorthorn Assn. A supplemental breeding sheet will be available at the sale.

## HEALTH

Each animal selling will be represented by a health certificate approved by the State of Indiana for Interstate Shipment. Buyers should make themselves aware of the health requirements of their respective states.

## LIABILITY

All persons who attend the sale do so at their own risk. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

## REGISTRATION & TRANSFER

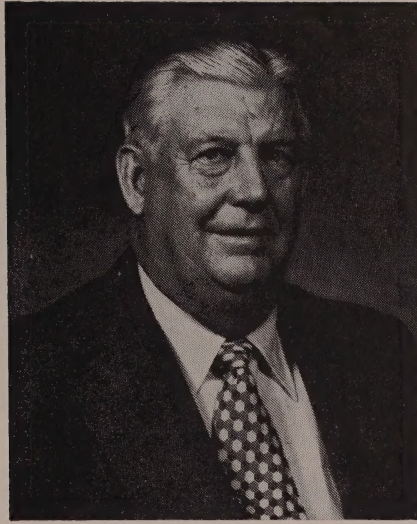

The cattle sell with completed registration certificates and will be transferred to the new owners following the sale.

## INSURANCE

Insurance will be available for your purposes through Harding & Harding Insurance Co. See either their representative or the sale clerk.

## AUCTIONEER

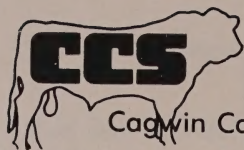

Bruce Brooks, Ardmore, Oklahoma.

## CHARLES DE BUSK

### 1977 BUILDER OF THE BREED

CHARLES DE BUSK, New Market, Indiana, came to this area as a teacher and coach in 1934, later serving as athletic director and assistant principal, and retired from the educational field in 1975 after 40 years of service. He has always been interested in Shorthorn cattle, and 1940 marked the beginning of a small Polled Shorthorn herd partnership with an uncle under the Noble Farm name, Reeves and DeBusk. This herd was maintained as a family operation with the two sons, Jack and Tom, as dedicated young cattle enthusiasts. From this herd one of the most widely known young bulls, Noble Monarch, was shown at the International and exported to Australia, and the entire herd was sold to Cooper Farms, Noblesville, Indiana in 1952. Immediately a new herd was established as Charles DeBusk and Sons which has grown into a full-time business. For many years these cattle have been shown locally and at the Indiana, Illinois, and Kentucky State Fairs, and have been represented in state and national sales. Mr. DeBusk has long been a promoter of and participant in breed affairs, both state and nationwide. He has served as Indiana Polled Shorthorn Association president, vice president, board member and secretary for ten years, and was Indiana delegate to the National Board several times. He is also a member of the Indiana Beef Breeders Association. In 1968 he was cited by the State Polled Shorthorn Association for outstanding service and made an honorary member of the American Junior Shorthorn Association in 1973.

OFFICE 217/452-3232 • HOME 217/452-7520

Cagwin Cattle Services, Inc. • Box 156, Virginia, Ill. 62691

Shorthorn & Polled Shorthorn Friends:

It is always an unpleasant task to disperse a herd of cattle. It is more unpleasant for me this time as I have known the DeBusk Family for many, many years. Their devotion to their chosen breed has been without parallel. They have always endeavored to produce the very best, and I believe have been successful in the efforts.

Time marches on, and circumstances dictate that this herd cannot continue in its present form. Charlie has retired and the work load with this size herd is just too much since Jack has assumed greater responsibility in his chosen profession. Many times you here the expression, "Our loss is your gain." I do not believe it can be more true than in this instance. This herd has changed with the times. The young people have been successful with their cattle the past two years and this is a mark that the herd is modern in concept.

As you study this catalog, you will note the many well bred females that have been included. The two featured herd sires are definite breed improvers; along with being among the bigger, more modern bulls in service today. That this is a producing herd is evident by the many calves at side and the daughters retained from foundation cows.

I am sure that in the future the Jack De Busk Family will be back in the business on a smaller scale. Certainly we wish the DeBusk Family well and look forward to your attendance at this very important event.

If there is anything I or my staff can do to help you with your planning for this sale, please do not hesitate to contact us.

Sincerely,

CAGWIN CATTLE SERVICES, INC.

**WEXVALE MASTER NORSEMAN x — "Cadillac"** In search of a herd sire which we felt would promote modern cattle and cross well with our daughters of Browndale Leader x, "Stretch," we found a "Cadillac" x. The Tribbetts, Linden, Indiana and ourselves decided if we went together we could afford the best bull to fit our needs. We purchased "Cadillac" x, from the Wegener herd in Kansas at the 1975 National Western in Denver. His dam, Wexvale Bonnie Melody x, has been called one of the best females ever by many top cattlemen. She weighs approximately 1,600 lbs. and has produced many top show winners. Cadillac's sire, Roan Harvest Duke x, has been an exceptional sire of top cattle and weighs in excess of a ton. Since we own this herd sire jointly with the Tribbett Family, he will not be offered in this sale. Our interest in this excellent animal may be offered privately at some future time with Tribbetts retaining their interest. We only wish we had more females from him to sell. Many cattle in this sale, however, are settled to him and will be a valuable addition to any herd.

**BROWNDALE LEADER x "Stretch"**—This excellent herd sire has done an outstanding job for us. Many animals have won top honors from this popular bull. His dam is one of the best in the Mohn Shorthorn Herd in Minnesota. As you will see, "Stretch" x stays in tremendous condition running with the herd. This bull has exceptional length along with the smoothness and size which everyone seeks. What a cross "Stretch" x would make with dual cattle. He was purchased in the 1972 Congress with Max Tribbett and Family. 100% of this great sire sells.

**WEXVALE BONNIE MAXINE x**—I'll never get enough said about this tremendous female. First, she is a full sister to "Cadillac," the top-selling Polled bull in the 1975 Western National Sale. Second, her dam has been appraised by many noted cattlemen as the best female they have ever seen. Third, her sire, Roan Harvest Duke x, has proven himself to people all over the U. S. Fourth, Maxine is a massive heifer with tremendous height and length and one when mature will make a model brood cow, just as her dam is! This is Stanley's 1977 4-H heifer and we would like to reserve show rights through the North American Expo. **Bred to the populad HHKA Buttercup's Prince 20th**, the noted herd sire of Hub's Shorthorns in Norton, Kansas. Calfhood vaccinated.

*Thanks For  
Attending Our Sale!*

*The female lots were catalogued in no particular order. In most cases, the daughters are immediately following the foundation cow. In all instances footnotes were kept to the bare facts. Note the many calves at side of dam. As a result, there are outstanding females throughout this catalog.*

*We certainly look forward to visiting with our many friends and customers in the years to come. We know that the cattle you have bought today will be productive for you.*

The DeBusk Herd has been represented at major shows throughout the Midwest since 1950. Pictured is one of their show strings from previous years. Note the uniformity of the cattle.

A former DeBusk winner at the International that was exported to Australia in 1950. Just one example of quality DeBusk cattle through the years.

## THE DEBUSK HERD HAS DONE WELL AT THE SHOWS

*The DeBusk family has always exhibited their cattle at major fairs in the Midwest. They have shown class winners at the Indiana, Illinois, and Kentucky State Fairs as well as National and Regional Sales. We list here just a few of their recent wins.*

**1976 NATIONAL JUNIOR HEIFER SHOW**  
*1st Place Female*

**INDIANA STATE FAIR**  
*Reserve Grand Champion Female (4-H Show)*

**1968 BLUE RIBBON SALE**  
*Champion Bull and Reserve Champion Female*
